Dear Parents/Carers,

Uniform Suppliers

As you are aware, the official school uniform is currently only available through the school office with payments made on gateway. As the school office moves towards cashless this has made it difficult to accept cash payments. It has also become increasingly difficult to predict the stock levels and to have uniform available when you need it.

We have therefore spoken with Whittakers who are based in Swinton, and we are pleased to tell you that they are now officially stockists of our uniform. They accept cash and card payments as well as online orders, and importantly are open during school holidays.

We hope this will help make buying your uniform easier, but if you have any difficulties please do not hesitate to contact school.

Yours sincerely,

Miss Donoghue
Headteacher
