

Struggling? Let your teacher know straight away.

Homework Reception Autumn 1

As part of our settling in activities your child has decorated an 'All About Me' bag and added a photo of their first day with us. We would love you and your child to add to this treasure bag over the first half term and bring it back for your child to talk about on Friday 14th October 2022.

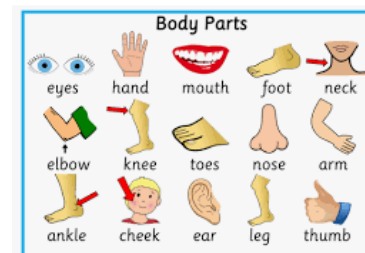

Challenge: Can you decorate and fill an 'All About Me' bag?

During this half term, we will be thinking about what we look like. We will focus on:

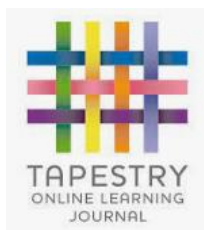

- Looking at our appearance and how we are similar and different
- How we have changed our appearance during our lifetime
- Using a mirror to paint out faces
- Mixing colours for different skin tones

Challenge: Name and recognise parts of the body?

Please pick an activity a week to complete and upload your work to Tapestry for your friends to see.

We will have show and tell Friday for the children to show and share their work on Tapestry. Thank you for your support.

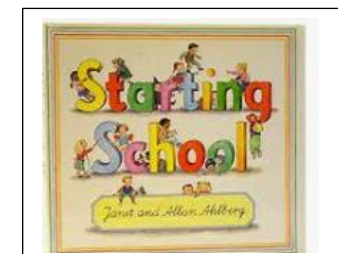

We are going to be reading many books about school, family and ourselves. We will learn that some books are non-fiction texts, and these books give us information.

Challenge: To read books about school, families or ourselves. Please share with us which book you have chosen. Here are a few good examples;

Funnybones by Janet and Allan Ahlberg

Ketchup on your cornflakes? By Nick Sharratt

Starting school by Allan and Janet Ahlberg

During this half term, we will be thinking about where we live. We will focus on:

- Learning how to recognise and write our home number on our front door
- Examining different types of homes
- Talking about our family homes
- How we travel to school

Challenge: Can you make your own home using junk modelling? What materials will you use? How did you build it?

Please don't forget to access the weekly activities/videos on Tapestry. These really do support the work completed in class.

During this half term, we will be thinking about what we can do. We will focus on:

- Thinking about what we are good at and what we find challenging
- Recognising and writing our names
- What makes us special?
- Outside interests

Challenge: Can you write your name using the correct letter formation?
